Francis Ball - came from Wiltshire, England, son of William Ball. He helped to found Springfield, Mass. in 1640 (A brother, Col. William Ball) arrived about 1650 and settled in Lancaster County, Virginia. One of his sons, Col. James Ball of Epping Forest, married Julia Romery and after her death, married Mary Montague Johnson. Their daughter, Mary, married John Washington and their son was George Washington.

I might say here that the complete record of the Ball Family was destroyed by fire several years ago and we have never been able to get all the connecting history gathered again as the letters between branches of the family were also burned. My Aunt, Miss Alice Ball, was trying to contact the families again but ill health and finally her death put a stop to all this. It is too bad for it is an interesting subject, the history going back to the 1400's. However, the following is part of the family tree.

Jacob, Solomon and Shaderack came to Canada in 1783, choosing different sections of Canada in which to settle. Jacob Ball settled in Brome County Quebec. He was born in 1764 at New Vane (Newfane?), Vermont. He married Elizabeth Stone and they had three children - James -- Darius and one daughter, Dorinda.

Darius Ball married Mary Rickles Soules and they had nine children. Mary R. Soules came from Rhode Island. The records at Plymouth show that the Soules family came over in the Mayflower in 1620. The children born to Darius and Mary Ball were - Urania, Hector, James, Joseph, Eliza, Orillia and Dorinda.

James, the 4th child of Darius and Mary came with their father and mother in 1836 to Haldimand county. They travelled by boat and included in the cargo was the bell for the Mohawk Indian Church at Brantford, Ontario. The family settled on the main road to Hagersville, 2 1/2 miles from Caledonia. James married Altimira Mutchmore, Feb. 19th, 1845. Altimira died Nov. 28th, 1875 and James, Dec. 1, 1907 and are both buried at the Caledonia cemetery. They had 9 children; Mary, Hector, Clarissa, Eliza, Emily, Zephy, William, Alice and Nicholas. Nicholas is the only surviving member of the family (at the time of this writing) and is 84 years old, having been born May 12th, 1870. He married Maggie Tingle June 1, 1898 - she died Aug. 2, 1932 and is buried at Mount Pleasant Cemetery. They had two children, (Altimira, (Alta) Dorcas) born Nov. 8th, 1899 at Portage la Prairie, Manitoba and the son, Ralph Hector Garland Ball, Alta's brother, born Oct. 31, 1901 - died in March 20, 1920 - buried Mount Pleasant Cemetery, Toronto - Alta Ball still lives in Toronto. Nicholas Ball died Dec. 30, 1955 - buried in Mt. P. Cemetery. Toronto.

William James Ball, son of James married Maud Ethel Johnston
Children of this marriage - Hubert James born Oct. 31, 1900 - Zephy Sarah born Dec. 28, 1901 - D'Arcy Thornton, born Feb. 2, 1903 - William Arthur Hector, born June 11, 1904.

Jacob Ball, born May 28, 1764 married Elizabeth Stone who was born May 6, 1771. They resided in Newfane, Vermont. and South Hero, Vt., Brome, L. C. (Lower Canada) and also Knowlton, P.Q. He died at Knowlton, Nov. 9, 1831

Harry Shufelt lived in Knowlton, P.Q. and left a lot of Ball notes in the Historical Society there etc.

This is further proof of Jacob Ball and Deborah Belknapp Ball being the parents of Shadrack, Samuel, Jacob and Solomon.

Mrs. Hathaway lives in Vermont and obtained her information from various sources there which co-incided with mine - Harry Shufelt put me in touch with Ruth Hathaway.

Also the genuine notes of Mary Muchmore whose mother was Eliza Ball, the daughter of Darius Ball - Jacob Ball(2) being a great grandfather to Mary Muchmore.

This is part of a personal letter Josephine Ball received from Harry Shufelt of Knowlton Quebec - Mabel Shufelt, his wife, still lives there.

1. Jacob Ball was born in Newfane, Vermont - married Elizabeth Stone, a daughter of Capt. Ephraim Stone and Lucinda Chamberlain who were from Westmoreland, N.H., moved to one of the Hero Islands in Lake Champlain then to St. Armand, Lower Canada (now Province of Quebec) and from there to the Township of Brome, County of Brome, in 1797. He sold the west part of the lot to one Valentine Smith who in turn sold it to Jacob Ball about the year 1800 who built a large house there. Capt. Stone settled on the east part of the lot - both his house and that of Jacob Ball are gone long ago. Jacob and Elizabeth "Stone" Ball had

three children - DARIUS, who married Mary Rickles Soules, they lived at Brome until perhaps the 1830's or 40's when they removed to the Province of Ontario, somewhere near Brantford at a place called Ball's Corner. JAMES, born in Vermont in 1787, married Abigail Stone, a daughter of Daniel Stone who was a brother of Capt. Ephraim Stone, Therefore Abigail was a first cousin of James Ball's mother, Elizabeth Stone, wife of Jacob. DORINDA - married Stephen Westover and lived in Township of Sutton in County of Brome.

(2) James Ball and wife, Abigail "Stone" Ball were Mr. Shufelt's great grandparents and had a large family including James Jr. (Mr. Shufelt's grandfather), and Lester and a Jacob. Others under 8th Generation (Hathaway)

(3) Jacob and wife Elizabeth "Stone" Ball, James and wife, Abigail "Stone" Ball and James Jr. are all buried here in Knowlton Cemetery, on land which was originally part of James' farm, he gave 1st acre.

(4) The above Jacob was born May 28, 1764³ (1764). His father, Jacob Ball, born May 28, 1712 was married to Deborah Belknap.

Ball notes from Gladys "Ball" White:

Mrs. White's Great Great grandfather - David Ball, born in 1758 Revolutionary Ancestor, a private.

Children of David Ball -

John, Hezekiah, Osborn, Benjamin (reported to have gone to Zanesville Ohio and started "Ball" jar company - one daughter, Mariah.

Mrs. White's Great Grandfather, John Ball born in 1793 - married twice (1) to Ann Carver (2) Athaline Pilcher in Jan. 1928 - 1 son born Nov. 1928, William J. One daughter, Gladys's Athaline White, named after her Great Grandmother Athaline "Pilcher" Ball.

Note - I think Mrs. White has her dates wrong - the 2nd marriage to A. Pilcher must have been Jan 1828 and William J. born 1828.

Mrs. White's ^{grand} father John Ball, born in 1839

Mrs. White's father - Booten French Ball, 1880

There is an autobiography, 1891 by a D.C. Ball which I have not been able to locate.

Con. to Ball Family - Rice, Rhys - R. Hathaway

Where his brother settled and then he went North to North Hero Island where the 1790 census lists him as head of a family of one male over 16 years and one under 11 years and six females. About 1800 he removed to Canada, near Brome, P.Q.

Apparently Epharim (Ephraim) Stone lived fairly near the "Ball" family (Jacob Ball married Elizabeth Stone, a daughter of Ephraim Stone. About 1800 or rather 1820 - it is known he was living in St. Lawrence Co. New York), where he was living when placed on the U.S. Pension Roll, aged 75 (sic) years - Date Feb. 9, 1819. Not sure if they mean Ephraim or Jacob living in St. Lawrence Co. It isn't known how many children by name were in records anywhere of Ephraim and Lucinda.

With reference to and for service in the New Hampshire line, also in list of Pensioners in 1820, as Ephraim Stone, a Lieutenant in the New Hampshire line - so the above refers to Ephraim.

About 1805 or 1806, Ephraim and Jacob Ball, his son-in-law, built a grist mill in Knowlton, Quebec.

The children of Jacob Ball and Elizabeth(Stone) Ball were (1) Dorinda (2) Darius (3) Capt. James, born Dec. 24, 1787, died June 8, 1885, 97 years.

Capt. James Ball married Abigail Stone - James born Dec. 24, 1787 in S. Hero, Vermont- Elizabeth born June 22, 1792? approx. died Oct. 18, 1856 age 64 years, 3 months, 26 days.

(6)
Abigail Stone was the daughter of Daniel Stone and granddaughter of Isaac (5) - Capt James Ball is own cousin to his wife Abigail Stone.

Daniel (6) removed his family to Lower Canada about 1799 to St. Armand. There are mentions of a son Bethuel and apparently he died in some war skirmish as his mother was asking for a pension of some sort. There is less known about Daniel and his family - I believe a daughter married a Westover and he was drowned en route to Montreal by boat.

The RICE name is of Welsh origin and varies - RHYS and others from South Wales and in many parts of the world now. This family is found to be descended from Vyron Reged, Lord of Kidwelly, Corunllon and YsKenen, by Margaret La Faye, his wife, daughter of Gorbus, Duke of Cornwall. Sir Rys Ap-Thomas, 19th in descent from Gorlois, was founder of the English House of Rice. Of this distinguished person, (Reference Fuller, in his "Worthies") writes "Sir RHYS ap-Thomas of Elmalen in Car Marthen, was never more than a Knight, and yet a little less than a prince in his native country". King Henry VII, for help that Sir Rys ap-Thomas had given him, made the latter a Knight Banneret, and later a Knight Companion of the Most Noble Oeder of the Garter. Sir Rys was son of Thomas, ap Griffith, and his first wife, Elizabeth, daughter of Sir John Griffith, Knight. His descent is traced as follows:-

VYRON REGED had PASGEN, who had MORE, who had RIRID, who had LLOWARCH, who had RUN, who had SEYSSEYELT, who had GWRWARD, who had ANARAWD, who had KYNHAITH-WY, who had LLOWARCH. who had EINON, who had GRONY. The last named married Lliwelydd v Einion Klud Arglwydd y ddwy Elvall, of Radnorshire. They had Elider, who married Gladys, daughter of Philip ap Buck; and who had Philip, who married Gladys, daughter of David Fras, Esq. The latter had Nicholas, who married the second daughter of Griffith ap Llewelyn Volthers. Their son, Griffid married Mable Dwnn; their son, Sir Thomas ap Griffith married Elizabeth Griffith; their son Rys ap Thomas married Mable, daughter of Henry ap William, Esq. and by her had a son, Sir Griffith ap Rhys, (Ryce or Rice). Sir Griffith Ryce or (Rice) married Catherine St. John, daughter of Sir John and Sybil, (daughter of Morgan ap Jenkyn Philip) St. John, and they were parents of four children. One of these, Rhys ap Griffith Rice, had Griffith Rice, who was the grandfather of the American Ancestor.

Deacon Edmund Rice, the original American Ancestor of this line was a great great-grandson of Sir. Griffith Rice, who was a Knight of the Bath at the marriage of Arthur, Prince of Wales, in 1501. Edmund Rice and his wife, Tamazine, were living, in 1627, in the Village of Berkhamstead, twenty-eight miles north of London, in Hertfordshire. The first three children were doubtless born in Sudbury, Buckinghamshire and five others were baptized at Berkhamstead. Edmund Rice, and his wife, with seven of these children (one had died and one was born during the Voyage) landed in Massachusetts in 1638. In 1639 he was living in Sudbury, Mass. on the east side of the Sudbury River in the southerly part of what is now Wayland. He was a selectman in 1644 and after, and became a deacon in 1648. In 1656 he was one of thirteen petitioners who besought the General Court for a new plantation. In 1660 he removed to the said new plantation (Marlboro) and was there granted fifty acres of land. He died there, Marlboro, Mass. May 3rd, 1663 and was buried at Sudbury, Mass.

His first wife, Tamazine Rice, died in Sudbury, June 13th, 1654, and he married (second) March 1, 1655, Mercie Brigham, widow of Thomas Brigham, of Cambridge, Mass, who came to Mass. in 1635.

Mr. Curator:

In the ~~course~~ ^{of} the course of many years of dabbling into family history I have run onto a problem which you may be able to solve for me.

Two Ball brothers, from Watertown, Mass., became pioneer settlers in the Brattleborough-Newfane region. They were James and Samuel. It appears that either one of these brothers married Deborah Belknap, and that they were parents of four known children, namely, Shadrack, Solomon, Susannah and Jacob, all born between 1756 a,d 1770.

If you have a copy of baptisms for Brattleborough of Newfane, would you please scan it briefly for me, of course at your price. If I knew your fee for service I would enclose it in this note. But, I will gladly send it on receipt of your reply.

I might add that the youngest son, Jacob, resided for a number of years on South Hero Island.

I look forward with interest in your reply.

Yours sincerely,

H. C. Burleigh.

History & Genealogical Section,

Dear sir, or madam:

I have been a regular visitor to your section for the past fifty years. I am now too old to travel, but not to still have an interest in the many books in your section.

Since I cannot be with you, I am wondering and hoping that I can persuade you to help me out, at, of course, a price, in a brief review of a few books.

If you have a genealogy on the Pelknap family, would you review it briefly for me in search of a Deborah Belknap who married a man named Ball in the period 1750 to 1780. They are said to have resided in the Newfane community in Vermont, and to have four known children, namely Shadrack, Solomon, Susannah and Jacob, all born between 1756 and 1770.

If you have a copy of church records of Newfane or Brattleborough you might find there the baptismal records of these Ball children.

I shall be only too pleased to compensate you for the time spent in this search, and I look forward to your reply.

Yours sincerely,

H. C. Burleigh.

Dear Dr. Burleigh,

Thank you for your letter of 7 May, which enclosed money order for \$2.50 for one copy of THE GALLOWAYS OF LIPNOCH. I am sorry it took so long to acknowledge, but as you can see I am no longer at 187 Billings, Ottawa, but living in Germany.

Strangely enough I know you, as for twelve to fourteen years I spent part of every summer at Millhaven Inn, and once or twice you treated my children.

Your Galloway ancestors must have come from the same stock as Joseph Galloway, the famous Philadelphia Loyalist who might have kept the Thirteen Colonies from violent independence if listened to. He retired to England and died in Watford. I have never been able to connect these "American" Galloways with my own family. As you may know Ayrshire and Dumbartonshire had quite a few of this surname. The Dumbartonshire family were a sept of Clan Macfarlane and tangled with the Colquahouns (spelling may be wrong!) of Luss with their Macfarlane clansmen in 1634. The Ayr family lived in and about Dalmelling and were traceable until the last century.

My family will be explained in the history which I am sending under separate cover.

Regarding the DeQuincys, earls of Winchester whom you mention. Elena de Galloway, daughter of Alan de Galloway married Roger de Quincy. The ancestor of our family, ie, of the Cupar-Angus and later Lipnoch branch, is shown as Thomas de Galloway, younger bro. of Alan and thus uncle

Elena, countess of Winchester. I have quite a lot of MS* material on the 11th, 12th and 13th century Galloways. I could have this photographed for a nominal sum to cover expenses if you were ever interested. It is in very good detail, showing also the Comyn descent from Marjorie, Elena's half-sister. It also shows King Robert I (the Bruce)'s descent from the earls of Carriak, who were an earlier off-shoot of the Galloways. I suppose you know that the first of the family on record, Fergus de Galloway married Elizabeth, natural dau. of ^{actual} King Henry the First of England, and thus all his descendants are left-handed descendants of William the Conqueror.

I trust the GALLOWAYS OF LIPNOCH arrives okay. Thank you for your interest.

Yours sincerely,

Shirley Galloway

Dear Dr. Burleigh,

We received your letter of the 14th of September and as always were very pleased to hear from you.

We are very sorry but we are unable to obtain a copy of the "Belknap Family" from Albany. We had a similiar request a few weeks ago and we called "Albany" and spoke with Mrs. Jakel, the librarian and she said they do not make a practice of loaning genealogies, as in most cases they have only one copy.

We did check the few records we have for this early time-period (1730-40) and found no reference to DEBORAH who married a man named "BAIL".

It is not important to us that you forgot our names, / you know what Shakespēre said, "A rose by any other name".!

Please let us know if we may assist you in any other way, and our best regards to you and your family.

Sincerely yours,

March 8th/76

Dear Mrs. Burleigh:-

I am sorry to have taken so long to answer your letter but ^{my} youngest brother died on Jan 12th & I have been busy looking after his affairs so I am the only one left out of a family of eight.

He was never married & lived alone, but had an awful lot of cooking utensils & a lot of electrical ~~gag~~ jugs, also many other things which he had never used which I have been cleaning up & selling.

Also writing letters is one thing I had to do.

Now about the information you are asking for I ~~can't~~ don't know anything about it but I can give you an address

I

of a woman in B. C. who
has been making a family
tree on this same family as
she has written me about
this before.

I am five years younger
than you are but am in ^{very} good
health but have to take
it easy as I have had two
heart attacks.

Hoping this find you in
good health & trusting you
can get the information you
are looking for.

The address is :-

Dear Cousin,

We haven't heard from you for donkey's ages, do hope all is well with you and all your dear ones. I have come to a stand still re "Ball" - how are you doing? Wish I had a copy of the write up you found in the paper re your Susannah & Amos Martin etc. I am writing to a "Ball" in Toronto, his name came on a list I've received to do with automotive parts - just for fun - one never knows - just might hit the jack pot.

I am hoping you contacted the folks mentioned in the paper. I don't have such good news about myself. I was bruising badly so went to see my doctor, had 3 blood

tests and a bone marrow test,
& they came up with "Acute
Leukemia" - then I was referred
to Dr. McMurry Jr & he found
me so disgustingly healthy
otherwise that he was some-
what skeptical about the
diagnosis & went to the
Hospital to review my slides
himself & then sent my slides
to Kelowna to two top Knatch
men down there & they agreed
with Dr. McMurry that I am
chronic, not Acute & that
I could be treated here in
Hernon but first, because
they can't find anything drastic
wrong with me I have to
go to Vancouver on Wed.
for a consultation with
the best man in his field
according to Dr. McMurry

It sure saps ones energy.
Hee is helping in the house,
& busy with his hobbies.
We have had a whale of a lot
of company, letters, phone
calls to give me moral
support. I have a hiatus
or hiatal hernia & apparently
some softening of the bones -
but heart, blood pressure
& such all O.K. I eat well
sleep well as a rule. Daughter
Peg came home for three
days which was nice. D'Arcy
was over & some of the grand-
kids - everyone has been most
kind & helpful - so we shall
see what next. The winter, I
hope will soon be over, we
have had some sunny days
but it remains cold - need
winter clothes still for sure -

Take good care & God bless -

Dear Cousins - What a blessed relief to know you are still plugging along and everything going O.K. with you - what a busy person you are, house to house calling can be very tiring but interesting - a good hobby keeps you "with it" and in with other people - I can't go out very much so I find the "Family Trees" a great help to me, keeps my mind occupied & hands busy typing - doing my mom's now & also Hector's maternal side. Hope your brother, Ross is O.K. Yes, I think & hope. Jacob & Deborah Ball are our line & yours - our "Bill" photostated 2 sets of 91 pages of "Ball notes" for me so I must pass it on to the younger generation now. They are all interested & some day may revise my notes & find something new. You have a lot of corn pond which is nice - we do too. Children come as often as they can and grandchildren - aren't they wonderful. Rec has the garden all in and up and my bulbs are a riot of color - birds winging their way overhead and nesting in our fir tree out front - we have a beautiful cock pheasant & his little hen, living out back &

Dear Cousins,

Jan 15/78

Hi - so glad to have your card and greetings - many thanks. Hope you have had a good winter and no 'flu'. They say we have about 25% of the folks of Vernon down with 'flu' & they say 60% of the pupils in the Armstrong schools are home with the "bug". We have piles of snow and Hector has had a shovelling good time. But you had a real bang up Christmas - I always feel sorry for those who have no families, no loved ones at Christmas time especially. We have one old friend, has no one on the earth except a cousin in the H. L. A.

& her husband passed away.
last year - she joins our gang.
Reg, Joseph and family of 2 girls
Brendy 17 & Carleen 13½ - Then
son D'Arcy & wife & 2 sons came
over from Kamloops - 10 of us -
for New Year's - just another
lonesome soul came for
supper - we don't bother much
now re New Year's - we used
to have big parties - I don't
miss them. I am anxious to
know if you wrote the widow,
Jessica Ball re the Anna
Hartson & your Susannah -
do you have the address?
Hope you kept the newspaper
clipping - you now have
your proof me thinks as
to our Cousin Relationship

just the same. What paper was it in? Anyway, Solomon, Shadrack & Jacob were brothers & Susannah then a sister? or did she write up mentions Solomon & Shadrack? Alta Ball of Toronto wants my Ball notes. You sure have some tall ones in your family, ours more in the 5' 11" range. We still have grandson Dave, 16, with us, & his brother Ian, our navy grandson got home to Prince Rupert & Dave went home too. We had severe snow storms at the coast and all through the Valley - Dave. flew from Rupert to Vancouver & had stay overnight - all planes to the Okanagan were cancelled.

D'Arcy & all went to Disneyland.
& their plane to Vancouver
from the 9th was delayed. We
had blizzard conditions at the
Coast from Chilliwack to
Hope so D'Arcy had to stay
in Hope one night before
coming up the Fraser Canyon.
Dane planed into Vernon the
next morning. We had a card
from Carl Hathaway and
they hoped to have Ruth home
for Christmas - she had a "fungus
pneumonia" - only about 40 cases
known in all medical history.
She was in intensive care for 3
weeks. Sure hope she makes it.
Hope to hear from you again
soon & that all your dear ones
keep well & yourself too. We are
slugging along, wack the poodle
2 or 3 times a day so keeps us

mobile though sometimes it
takes a lot of will power
to leave our fireplace and
brave the cold and sometimes
icy road. Hee keeps busy
with his hobbies & I am never
idle it seems, always a million
things to do - especially with
young folk around, a lot of
grub goes down the hatch.

Hector's sister and brothers
not all that well but still

Dear Cousin

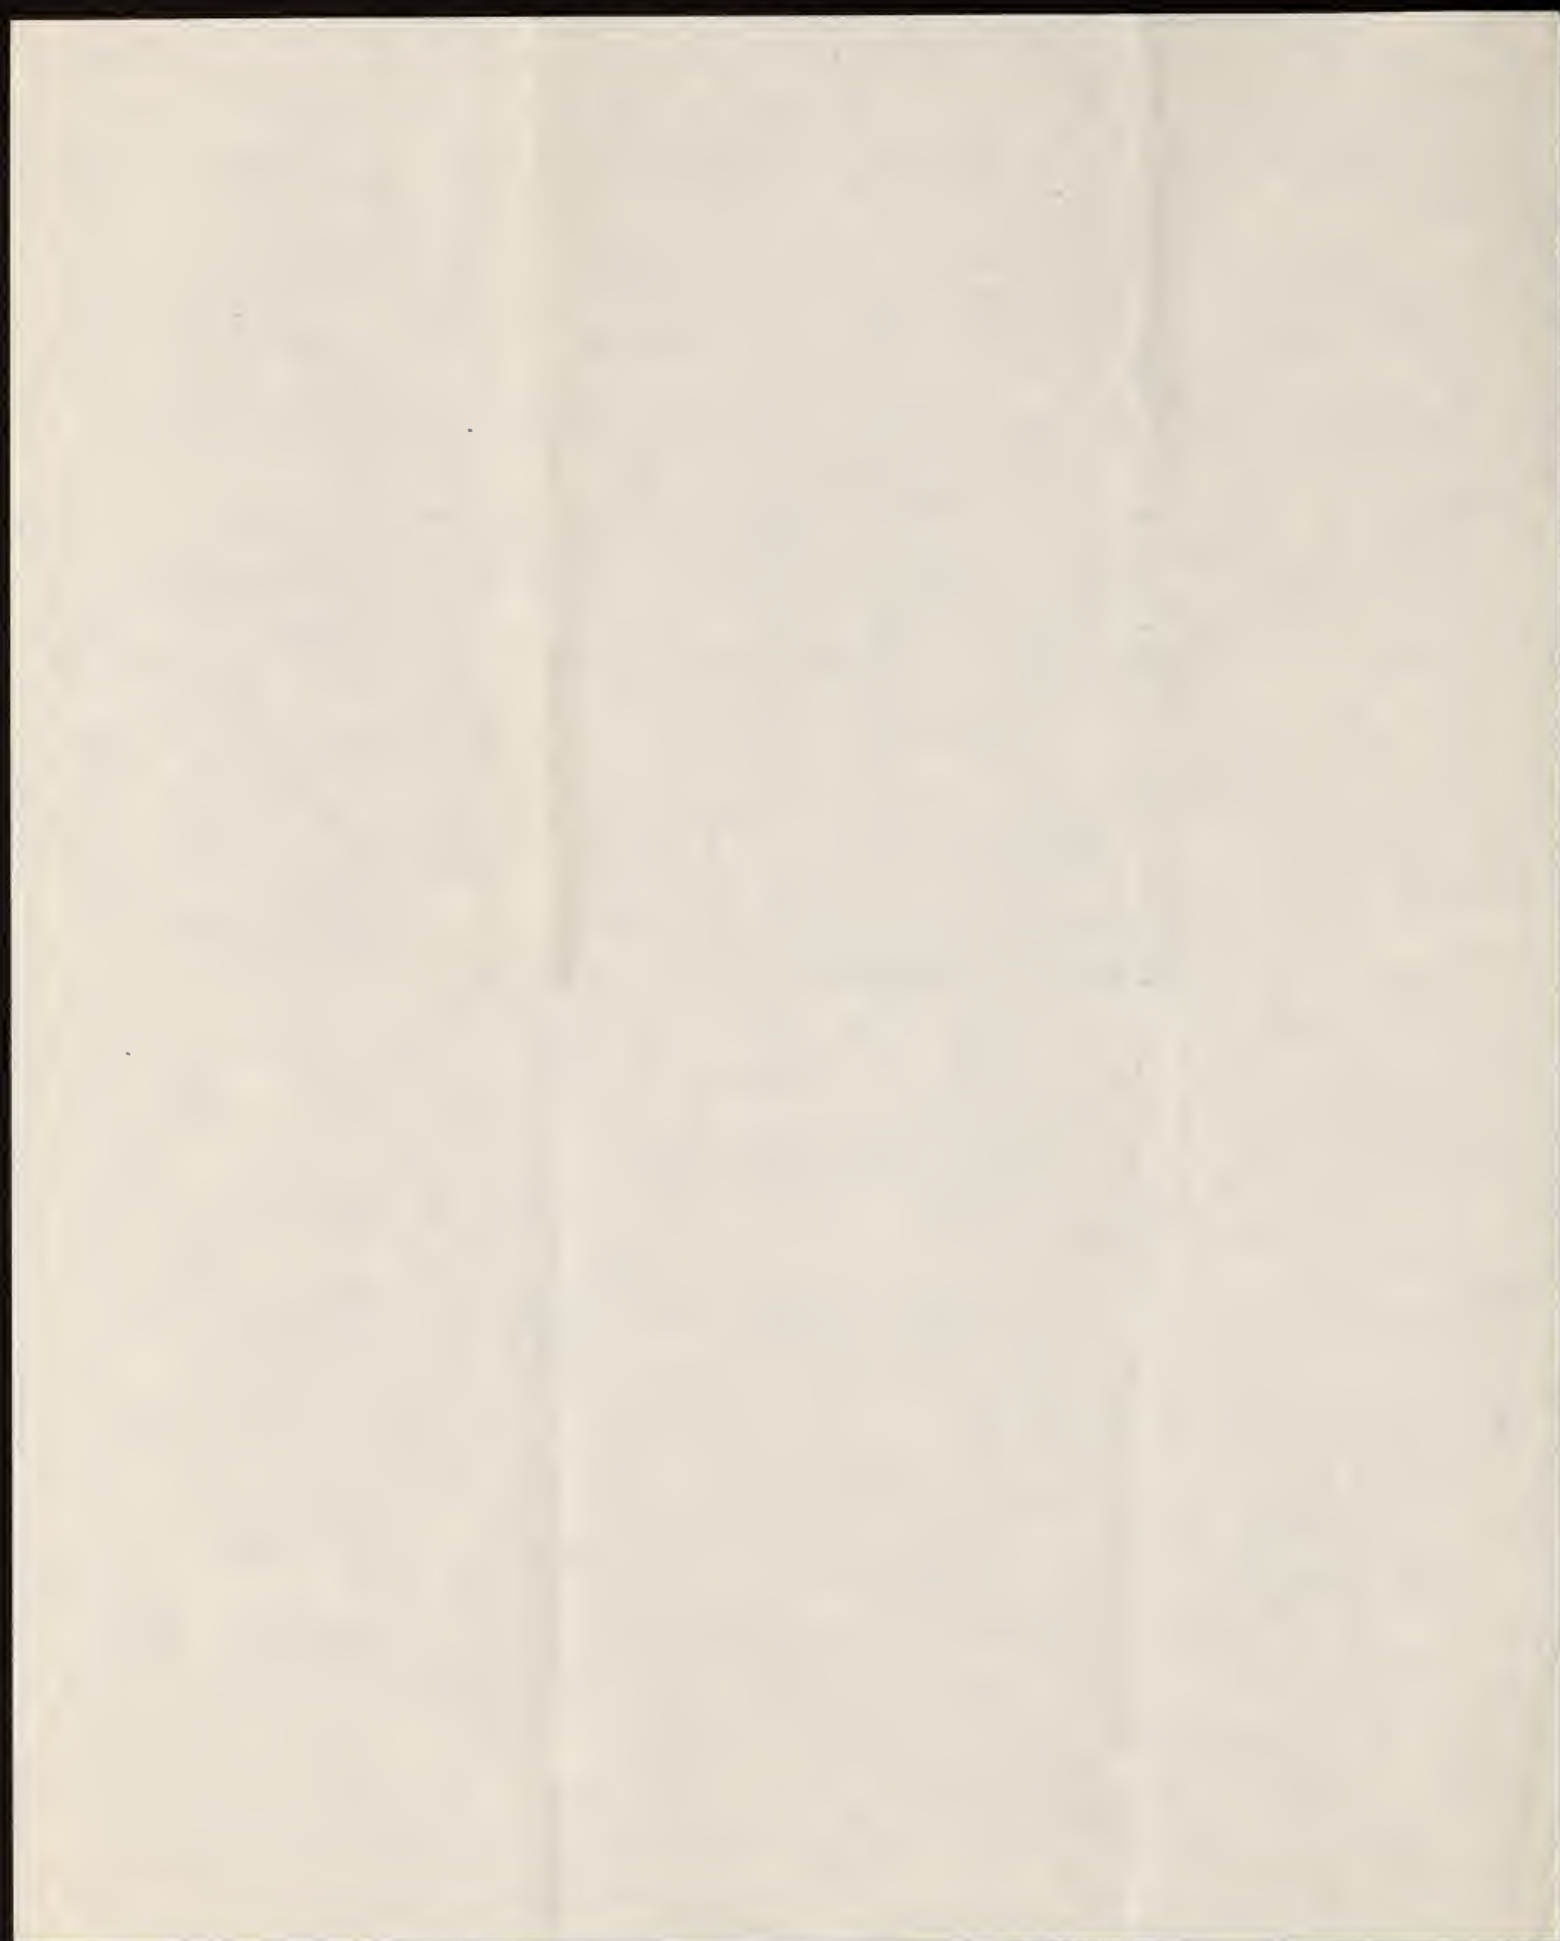

Sorry to be so long - have two of your letters to answer. We have had a regular stampede of company from here, there and everywhere. The Grandson, Dave, left for Prince George, Friday, 1st, and Bill & Hema met the bus there & next day they all took off for Prince Rupert. Bill & Hema had a lovely time in Greece & Turkey, people very nice and the weather was lovely. Darcy very busy, on the road - he carries cable for B.C. Tel & O Kanagan Tel & on week ends works like a dog over on the marina. Rego family were up to the marina July 1st week end & will be up again in Aug. We have our navy boy, Bill's son, coming this month & we see quite a lot of Darcy's three boys in Kamloops - his oldest son is in Galt Cambridge. We have

been building ²/_a porch on a trailer
over at the marina - D'Arcy, Hee & I
bought it so all the children
have a spot to sleep & cook when
they come. Next job is to help Hee's
sister, Zephy, at Salmon Arm to
paint the siding on her house.
The garden is flourishing - I did
up 21 jars of black currant jelly
& put 40 #s of dandelion honey
in jars today - also lost a very
dear friend and went down to
help his wife with all the arrange-
ments, the service tomorrow. I
must admit to being a little tired -
16 rows of corn 80' long - we
give most of it away so next
year we are really cutting down &
perhaps be able to get out a bit
more. Hee likes to fish - I don't
but I go along. I had a letter
today from Ruth "Ball" Hathaway
so she is still alive, still needs
blood transfusions every 2 or 3

weeks, poor ^sdear - they are trying
something new now so we shall
see. We now have a 4 lane highway
past our place and some of the cars
go by at a mile a minute places
I should say pace. So glad to
have your letters & sure was very
disappointed that you had no
luck re Belknap in Albany. I have
written the Free Press paper to put
an ad in re "Ball" - see if I get any
answers, that is, if they print
my letter in the "Home Loving
Hearts" Page. I've written before
but they were never printed, so
here's hoping, guess they don't have
room to print all the notes they
get. anyway we shall see. For
Pete's sake, fancy forming a company,
the Bayside Publishing Co. - good
for you - perhaps some of your
writings will reach our schools
or libraries here. - would like to

read them, especially anything to do with "Ball" & tales of the Loyalists - well it will keep you busy & out of mischief. Glad your wife & daughter enjoyed their stay in England and safely home again. Hee watching the Toronto Blue Jays & Boston Red Sox. Well, they say, if at first you don't succeed try try again. You may possibly hear from folks who read some of your material - hah - a ray of sunshine, hopefully. Keep up the good work, take good care - God bless you & yours. Still in the ring, still trying -

Dear Cousin,

Thought I'd best get a line away to you
as we have a very busy time coming
up - company from every direction -
have most of the garden in - heavy
downpour tonight - We watched Boston
o Montreal battle it out to 3-0 - fans
not very nice to the Bruins!! poor
sportsmanship - games are getting rougher
all the time - I haven't heard from Ruth
Hathaway so perhaps she is gone - I'll
write again - her last letter sounded
like a losing battle. Do you know
anything about a Henry Ball whose
daughter married Sir Frederick Banting?
I have a write up on her o Hector's
cousin, Alta Ball went to the wedding
Oh yes, o the Bible (Ball) I mentioned
in my last letter - its rather in
bad shape and we didn't want to
handle it too much - no items written
front or back but the other day I
went through it and there are
a few notations about the centre of
the book - but nothing I didn't have

and very ²disappointing - very few names entered & nothing on Jacob & Deborah - The information from Bakersfield, Vermont of no use at all but they went all out to search for me -

A Susan C Ball (female) Sept 5, 1872 - her parents not listed - age 28 - died of T.B.

Another - Mary Jacobs ^{Ball} May 30, 1895 - &

Byron Weightman age 21,
born Rufford - father's 1st name
George.

I presume she m. Byron W.

They gave me the address of a Jos. L Ball in St Albans, Vermont & no answer thus far.

If anything else turns up will surely contact you.

Trust you & all your dear ones keep well & busy. Any news from your end? hopefully !! In the meantime take good care.

Still in there

Hi again

1977 and here we go again -

Hard head, brain numb and dumb,
Inspiration she won't come,
What headaches - the Ball Family Tree,
We get nowhere. Twist you & me
Can't think, empty head, empty pen.
But all the same, Best Wishes — Amen.

Phooey bluey - the more I puzzle through
all my papers & the more notes I get,
the more confused I get. I have more
notes from Betsey Parners - mentions some
Susannahs but not yours & nothing
on Jacob & Deborah or children Shadrack
etc. You are sure your Susannah was
a sister of Shad, Sal, Sam, Jacob or
whoever?

Nathaniel Ball, born 1663 & Mary "Brooks" Ball
residing in Townsend had a Susannah
born Jan 24-1689 -

James Ball born 1670 & Eliz^{"Ball"} Huske^{"Ball"} - Watertown,
had a Susannah born Mar. 16-1707 -

Jonathan Ball born 1680 & Sarah "Whitney" Ball
of Watertown had a Susannah born
April 6 - 1726

Jeremiah Ball born 1701 & Mary "Stevens" Ball
had a Susannah born March 11th 1738

Some have lots of Susannahs - the name
seems popular but none for 1762 -
dog gone it. Betsey Powers said she was
pressed for time & there were about 20
more pages re Ball - she has a friend
who goes to Boston & she will have
her do it for me so will write her
tonight & have that done - may have
to wait awhile - no way of knowing
when the friend will go to Boston
again. Sure hoping you have found
something at your end. Will send
these latest notes to Bill to photostat for
me & will send it to you later - some
of it you already have - Sure wish we
could converse with some of our dear departed
& get some info - bet they are laughing at
our feeble efforts !!! Well dont bust a
gasket dear cousin - hopefully we will
solve it yet -

Happily
Your baffled Cousin Josephine & Hector

P.S. Do you know of anyone in Ernestown
or anyone that would be making a
trip there that would or could find
out what the oldest church or
churches held services in Ernestown
at that time - your Susannah buried
there & if there was a newspaper
at that time it could have quite
an elongated obituary - I have
some of my grandparents Cochrane
& they give a lot of information. I
wrote to "The Newspaper" in Ernestown
some time ago and the caretaker
of the cemetery but no reply - I
tried the same thing on Amherst
Island - if we could get something
on Deborah Ball it would give
the children (Jacob Ball and Deborah
"Belknap" Ball) I've always had
great co-operation but not re
Ernestown or Amherst Island.
There is where the answers will
be !!! Hopefully - Any brain
waves dear Cousin?

If I knew what
old church I
would write to
the Minister
& they would possibly answer.

Dear Cousin,

Happy to have your letter - sorry to
be so long with an answer - we have
had a landslide of company - keeps me
busy but we enjoy it. Are you
going to be swamped with folks
for the Olympics? Our daughter-in-law
Doris, Doris's wife left today with
their "home on wheels", and three
of the grandchildren, Tom 24 Frank
22 and Maurice 20 - all of Kamloops
B.C. Excuse the paper - at least
the lines should be straight, if
unreadable. I had a letter from
Fabel Shufelt in Knowlton, Quebec
and she does not know the names
etc of her mother-in-laws parents
& Harmon Phelps, Curator at the
Brome County Archives is extremely
busy at the moment at the Archives
and also teaches summer school.
You didn't say in your last letter
if your daughter Cynthia named
her Melissa after someone special
or just liked the name - there could
be a connection there with Harry
Shufelt's wife, being Mellissa Ball.
However, I wrote to several Postmasters
& they have been most kind - the post-
master in Sudbury, Mass. gave my letter
to a Mrs Betsey M. Powers, Town Clerk of
the Town of Sudbury, Mass. who is a
direct descendant of Priscilla Ball who
married Isaac Miller, May 5 1798 of
Concord, Mass. This Mrs Betsey Powers is
very much interested, wants all my
notes re Ball & sent me a lot of
information - I don't have the time
to have them photostated or typed as

Jacob Ball = Deborah Bellknap

we are leaving for Prince Rupert on Thurs. 15th - Her notes include Sudbury marriages & deaths - Framingham births, marriages & deaths and Bonds History of Watertown, Mass. notes which I must compare with copies of yours.

Under Sudbury Marriages we have Jacob Ball of Framingham & Deborah Bellknap, or Belknapp, Jan 9/1749.

Under deaths in Sudbury - Benjamin Ball Jan 28 1777
Under births re Ball in Framingham, Mass.:-

Marriages re Framingham & Ball.

Benjamin & Mary Bruer (Brewer) Mar 29/1704

Jacob & Deborah Bellknap Jan 9 - 1749

Again - Benjamin Ball - Mary Brewer Mar 29, 1704

Some Susannahs mentioned - I will take the notes forth & will have more time, they sent quite a few notes - in my hurried reading I saw no Amos Harton either.

Packing today, cleaning up the faint watermark & so on - shows Shadrack & Samuel as sons of Jacob & Deborah but no Solomon, Susannah etc - darn - but if you are sure Susannah is a sister to Shad & Sam - then her parents are Jacob & Deborah - And more notes come in will send them - & will get these notes away to you in detail, soon as possible. Dear Cousin,

Here I am, but where to start - first, my notes are repetitive as I have gathered bits and pieces from various sources and have not yet had the time to put them in the proper order - but I do hope they will help you put your lineage together - I have a full set of the same notes I enclose herewith to you, so that we can refer back and forth to such and such a page - O.K.?

Do you know where your great great grandmother, Suzannah was buried, what locality, to perhaps obtain records from a church, cemetery, perhaps a stone. Do hope you can get further information about her, as being a sister of Shadrack, Solomon, Jacob, and I have a Samuel - they do not always put in the sisters. In my notes there is a Peter Ball too presumably a son of one of the Jacobs too.

When I can I will type the Muchmore (Mutchmore) History for you as it is very interesting re the early days - this is where I obtained my first notes and I know they are authentic as it was written by Mary Muchmore, a daughter of Eliza Ball (married John Thornton Muchmore) (Hector's brother, D'Arcy Thornton Ball, so Thornton a family name) Eliza Ball was a daughter of Darius Ball and Mary Rickles "Soules" Ball - making Darius Mary Muchmore's grandfather and she knew him well, so I know that information is correct.

Before I go on, also in the Muchmore notes it shows Eliza Ball married John Thornton Muchmore and her brother James, (Hector's grandfather) married Altimira Muchmore.

Now I will backtrack up to Col. Wm. Ball of England.

From Darius and Mary Rickles Soules

Darius' father was Jacob 2, married Elizabeth Stone

Jacob 2's father was Jacob 1, married to Deborah Belknap

~~BENJAMIN BALL'S FATHER WAS JACOB 1~~ sorry -

Jacob 1's father was Benjamin married to Mary Brewer.

Benjamin's father was John 3, married to Sarah Bullard

John 3's father was John 2, married Elizabeth Pierce and Eliz. Fox

John 2's father was John 1, married - wife's name unknown

John 1's father was Col. Wm. Ball married to Hannah Atherall

The children of John (3) and Sarah Bullard were John,⁽⁴⁾ James, Joseph,
Benjamin Johnathan, Daniel, Abigail

Yours

& yours too I believe

/ this is where you took
off instead of from Benjamin
Your John married Bertha Meden
or Mattup

See Harry Shufelt's notes re Benjamin on Page 68 as having a son Jacob 1 and Jacob 1's son was Jacob 2 and Jacob 2 and so on.

Fixed up like a
dog, breakfast

Jacob 1 - married Deborah Belknap

Children - Shadrack, Samuel, Solomon, Jacob, (Suzannah)

I wondered if Suzannah, a daughter of a (Capt. James Ball, born Dec. 24 1787) - no birth date for this Suzannah - born early 1800's could have been named after your Suzannah, born 1762 as they seem to be the only Suzannah's in the "tree"

See also Ruth Hathaway's notes re father of Shadrack etc - pages 6 to 10 and Ruth Hathaway obtained all her information from around Vermont and Harry Shufelt, who was well versed in the "Ball Tree" - his mother was a Mellisa Ball - do not know who the father was. Should enquire from Mabel Shufelt, might throw more light on this confusion. Yes? I had no knowledge of Ruth Hathaway's notes until I had mine pretty well lined up and was really pleased that they matched mine down to where she branches off.

Mine

Do wish I could find a Ball Genealogy, there has to be one somewhere - If you could go to the Brome County Archives and interview Miss Marion Phelps, also related to Ball, you might find one, or perhaps Mabel Shufelt could help you there - she still helps out at the Archives with Marion. I was really disappointed to lose Harry so soon after I had found him - I don't think Cousin Lester of Cowansville, Quebec, ^{is} too the interest in the "Tree" that Harry Shufelt did. I was in touch with a Dr. Harold DeWitt Ball of Toronto (Irish Ball Family) but he passed away also and his wife just a couple of days after him.

The Big Wigs of Washington, D.C. sent folks over to England to delve more thoroughly into the "Ball Tree" re Mary Ball Washington but could not gather much information as you will read somewhere in my notes, I doubt anyone else will glean any more information, if they couldn't, as they would gain access to any information available. Some think that Col Wm. Ball ^{rev.} could have been a son of Richard Ball, also in my notes.

Note

In your notes you have James Ball (6) and wondered if he could be the father of Shadrack etc. I don't think so as James 6th was born in 1731. Shadrack, I think, was the eldest and he was born Feb. 4, 1749 which would make James (6) 18 years of age when Shadrack was born - would have been married at age 17 - could be I guess, but doubt that he would marry that early in those days, so am fairly sure he would not be the father of Shadrack.

Do hope my notes will help you make order out of chaos - wish I had more time to put mine more in order - but not until later - any more notes come I will keep you posted - God bless you in your confusion, and me, in mine. Take care, keep in touch - hope my notes arrive safely, no rush to send them back - take as long as you wish, as many months as required. In fact I think you may keep them as I will be re-typing the whole schomozzle. Happy hunting - Best Wishes to all the folks in their 80's and others. We are not exactly kissin Cousins but Cousins none the less many times removed.

Dear "more than confused-cousin"

How is that for a start. We are just about set for the North-
wrote you yesterday with a
few notes re "Ball" which I
hope will help you in
your acceptance of Jacob
& Deborah Belknap as your
Suzanna's parents? !! yes!!

Anyway I hope - no more
mail this A.M. except your
letter, which I was happy to
receive. I must say, re the
notes mailed to you, I had
no time to compare notes,
but they seem to fit, give
or take a year. Taking my
notes with me so will
write you when I have
gone through it all - its
some job isn't it? I was
delighted to hear from

for Jacob (1) ³ & Deborah -
This Jacob (2) & Eliz Stone.
Jacob (2) being son of Jacob (1).
A lot of pages from Sudbury
taking it North & perhaps
Bill can get copies of it -
Believe he has access to
a photostat machine, shall
see - lots of Susans & some
others mentioned - however
sweetie pie you will have
to "cool your heels" until I
can get it to you - Swarms
of company & more coming
July & Aug the big months
but we have our share
all year round - which we
enjoy of course - Dam - so
your Cynthia just pulled
Kellisa out of a hat - was
hoping there would be
some connection there.
Don't think I am off my
rockers when you get the
"Kice Bys" "Khy's" notes as they
start off so Wales. Cousin
Lester is quite old & not well.

Betsy Powers² of Sudbury. I
find folks most kind. Where
is Ernesttown - is it spelled
with the T.T. - I couldn't find
it on my maps - not in
U.S.A.? I addressed a
letter there and put on
Ernesttown, Ontario - hope
it reaches its destination.
Should phone Ruth Hathaway,
no news from her so getting
a little worried. I have the
Rice write-up almost
ready for you - I wasn't
going to send it but
you are interested so I
will send what I have
ready, still a few pages
on the Chamberlins &
Farnsworth to do - & one
page left on "Stone"
Only reference seems to
be Jacob Ball and Eliz.
Stone - which is too late

but I will write him soon
or ask about "Melissa" or "Bell-

remember. Dates are so im-

dates for the same folks in

more later - so many here
are having gall bladder ops.
do hope your Cynthia is
doing well and that you
don't fade away on your

Do hope dear cousin that
we can get things squared
away for your sake as
well as mine as I want to
be sure before typing notes
for grandchildren who are
all keen on having my
information. I'd like to
get going again on my
own "backbone". My sister &
husband are spiritualists, so
I asked her to pull our Dad

my notes - so dear sensible

Hope you have found "a

Dear Cousin,

Here we go again, bless you
for all your notes, appreciate
it so very much - hope you
are not in too much of a
hurry to get them back as I
want to type some and
photostat some & send some
to Ruth Hathaway & am now
making a full set for all the
children, our own three - the
grandchildren later, any
changes & more notes can
always be added. Just had
company for coffee - a Sister
of one of the daughters-in-laws,
so I am late getting this
away to you. I had a letter
from Ruth Hathaway and
thank Heaven she is still in
the land of the living - said
she would check on Suzannah
so I should write & tell her to
watch for Annie too. Also a

Shadrack, Jacob, Salomon &
New Hampshire Grants etc Nov 1-1770
Jacobth born in 1712 - he would be
58 at that time & Deborah
died Sept. 15 - 1783 or 93 - looks
like 83 - sure would like to
find more on the Jacobs. I
hope to go through the
whole ruddy works bit
by bit and make more
explicit notes re deaths,
births etc. Have a Demon
trating Co. meeting here
tomorrow, folks from
Los Angeles & Seattle, Kelowna
Can you smell my cinnamon
rolls? Judge foodlce of
Seattle sure goes for them.
I've missed my own mail
box with company so
Vec is going to run me
down to one that gets
picked up later. Keep
digging dear Cousin -
I am fascinated by the

2
letter right back from Zephyr
"Ball" "Swinton" Lippert - she
lost her husband "Elroy" a
year ago. She has no inform-
ation for us re any Jacob's
or Susanna's - but would
like to review my notes,
so must give her a brief
run down. Will ask Ruth H.

if she has any further notes
on Benjamin - I would think
hers would be authentic
as she lives in Hermon &
got her information from
various sources there. There
are no Deborah's in the early
years - the earliest being
the wife of Jacob (1) Deborah
Belknap - must be her grave
you have found on Amherst-
I. but no Jacobs on the
list of burials - wonder if
Jacob (1) died & she came
north to be with one of the
sons. your page D at top has

list of ⁴Burials! Wonder
if they put obituaries in
the papers at that time -
believe they did as I have
some on my own people,
"Cochranes" - if you can
find out - there may be one
of Deborah Ball! hopefully
& would name her husband
& children - oh how I hope -
any way of finding out?
Will keep in touch and
may all the angels and
Saints and "folks" up
above help us in our
search. Must write Ruth H
tonight & hope to get some
results - I am really ex-
cited with Deborah Ball -
must be D. Belknap!! -

Dear Cousin,

Well, is me is, or is me aint. You are much on my mind, expect you are working furiously in hopes of making order out of chaos - sorry my notes were not in better order but have not had much time to really sit down and concentrate on them - we have been swamped with company - and when they arrive at 9 or so in the morning my day is shot - a lot of unexpected company pop in for a meal - I should hang out my shingle & call it "The Greasy Spoon". I was happy to have your notes re your family, it will be nice to file with my notes. I've often wished I had access to more material re Ball but nothing out here much in the Library so have had to rely on others for what I did get & started with "Muchmore Tree" & some from Hector's Aunt & Uncle. If only Mary Muchmore had mentioned her great grandfather as well as her grandfather Darius - but a Jacob Ball did have a Darius & the 1st Darius I have mentioned - there were others so named, born later. I have written a cousin in Kitchener - I have never corresponded with her so hope she answers and has some information to help us both. I also wrote Ruth Hathaway - I haven't heard from her & getting rather worried about her as she is fighting to rebuild her white blood cells.

You have probably ²found some answers to
your questions in my notes - I hope.
There seems to be a lot of discrepancies re
birth dates, death dates and so on. you
know my sister lived in Sudbury, Ont.
for awhile and I should have had her
look for information on Deborah Belknap
while there. Ruth Hathaway had access
to more information, living in Hermon.
What did you think of her notes, some
taken from Bonds History too. On page
8 of Ruth Hathaway's report there is
mentioned a Sudbury, Massachusetts
re Mary Brewer, wife of Benjamin - I think
Deborah Belknap & Jacob married at
Sudbury, Mass. I was also trying to
figure out how come - if they were
in Sudbury Ontario - that Shadrack
& all could have been born in the
U. S. A. ? Wonder if they have an Historical
Society in Sudbury, Mass. ? Wish I could
go on a trip & look up all these things
as I find it all quite fascinating though
somewhat of a headache trying to
put it all together - I smile to myself
when I think of you trying to put
two & two together - but, believe me I
do hope you can, whichever way, yours
or mine, so long as we arrive at what
we think is right - I don't know really
but I start at the bottom & go up to Col.
Wm Ball of England & I am positive re
Darius Ball from the Truchmore notes
which are correct & Jacob⁽²⁾ was the only

3

one who had a son so named (Darius) at that time & Harry Shufelt and Ruth Hathaway arrived at Jacob⁽¹²⁾ - he was named for Jacob (1) & Benjamin was the only one with a Jacob - oh boy. The best way is to make notes for yourself as you go through all mine & bless your cotton pickin' heart I wish you the very best of luck. I will keep in touch, have a coat-of-arms copy, with a write up, I will have a photostat made for you when I can get down to the Library, no bearing on what we are trying to accomplish, perhaps, but interesting. & will let you know any news from the Lipperts of Kitcheners (if I get any) & anything else from Ruth Hathaway & you may get a chance to go and see Mabel Shufelt and Marion Phelps at the Brome County Archives. I sent you their addresses. I'd give my eye teeth to get hold of a "Ball" lineage there should be one - you'd think Harry Shufelt would have - he wrote books & helped with others on these subjects (History) etc. We have planted about a third of an acre for everyone & his dog, only 2 of us - We will have to cut down - say this every year but still plant the whole ruddy thing so I am on my head in the garden most of the time - I was weeding a couple of years ago, looked up & here was a

a baby skunk coming along the row -
 he was (as she was) only about a foot
 from my nose. I talked very quietly
 to it I believe me, I kept very still
 & he sauntered away, beautiful little
 animals. When the flowers are blooming
 will send you some snaps - a lot of
 folks stop to admire Hector's old wagon
 as a planter and we have the milk
 cans and my Dad's old forge and
 a plow and cream separators etc -
 three barrels with planters atop.
 I have a plant in my front room
 8 feet high, to the ceiling, & 8' wide -
 we never draw the curtains. Well,
 darlins will be anxious to hear
 from you & God bless your efforts
 re Ball & forever keep His loving
 arms around you all back there.

Hope you all reach the Centennial
 mark, providing you keep well.
 Hector is quite interested in what
 you will come up with - up to now
 its all Dutch to him & has been no
 help in trying to put it together.
 I was a "Bochrane" - also United Empire
 Loyalists I believe - from Scotland - (the
 Ancestors). I am many generations, Canadian

Dear Confused Cousin,

You are confused - now I
could be too - but my notes
have been verified by
Mrs Ruth Hathaway of
Vermont & I was minus
one Jacob - Harry Shufelt
of Knowlton, Quebec gave
the 2nd Jacob - now we
have lost Harry. I paid
\$20. for a Brone County
Historical Book re Harry
but much to my surprise
there was no "Ball" genealogy
in it - the "Tree" - I wrote
to the Archives there from
whom I had obtained

some information but
did not get an answer.
The Curator there is re-
lated to Ball. I will
enclose her address &
perhaps you can find
out where there would
be one - I can't understand
why there would not
be one there with Harry
having written so
many books etc.
Perhaps you could get
to see Inabel Shufelt,
only one copy of books
in archives - believe
Inabel would have
them too - will try &
find addresses to enclose
I have written Gladys White

of Springfield³, Virginia to
return my set of notes &
will forward the information
to you as soon as possible.
I have no Suzannas in my
notes & none in Ruth's but
we shall see. I have been
swamped with company
& gardening starting, we
have a good third of an
acre planted every year
mostly goes to friends and
relatives. We do come
from the top man Col. Wm
Ball but you branch
off earlier than either
Hec or Ruth. Be of good
cheer - happy to have
found you or that you
found us. Sincerely - Josephine

Dear Cousin?

Forty-two times removed as the saying goes. I was delighted to have your letter and very much interested. How kind of Cousin Fester Ball to give you my name and address. I have the information re Shadrack, Solomon and Jacob but no record of a sister. It is some time since I've had the chance to work on my notes but will get them together and will be happy to share what I have with you. Such large families and names passed down the line and so many branches of the same family so I didn't get too involved with the side lines. If I could have travelled to various parts of Eastern Canada and the States it would have

helped - as it is I had to rely solely
on correspondence. How I'd love to delve
around the Libraries and Archives and
old cemeterys etc. Cousin Foster and
Cousin Harry Schufelt - no, must
look up my notes, Schufelt J.
Knowlton, Quebec helped me with
my notes - Harry has since passed
away, such a shame as he has
information at the Brome County
Archives - the curator there is a
relative of "Ball". Harry put me in
touch with Mrs. Ruth Hathaway
of Vermont & she sent me all her notes
even spent a few hours with us
a couple of years ago while travelling
through B.C. My husband is William
Arthur Hector Ball & they come down
from the James & Jacobs so you are
cousins - way back - I will be pleased
to have any information you care to
send and will get a copy of my
notes away to you at the earliest
opportunity. We have grandchildren
coming next week and more in
April and summer is a busy time
with us, what with a large garden
and company etc but I will send
my notes, such as they are as soon
as possible. This is really just to
acknowledge your letter, you have
no idea how pleased we are to
have further contact with some
of the "Ball" clan - I am wondering
if you are minus one Jacob - will enclose

a few notes - from
Col Wm Ball of
England down to my
own family, see if
any of it co-incides
with yours. Good
luck to you & the
best of good wishes
to you & yours.
Enjoy your retirement -
Hec. I am both
72 - we have 2 sons
& a daughter - all
interested in "Ball"
